

The poster features a dark, starry background with a rainbow arching across the top. On the left, two red Christmas ornaments hang from red ribbons, each featuring a hand making the 'rock on' gesture. White snowflakes are scattered throughout. In the top right corner, there are two torn pieces of paper; one says 'MERRY METAL X-MAS' and the other '2026'. The central text is arranged in a stylized, blocky font with yellow and red colors.
